LOCKHEED LITIGATION CASES  
Order filed

Under rule 29.1 of the California Rules of Court, the times stated in rule 29.1 for filing briefs in the Supreme Court "may not be extended by stipulation but only by order of the Chief Justice under rule 45."

For good cause shown, the Joint Application for Modification of Briefing Schedule, filed April 22, 2005, is granted as follows:

(a) The time to file plaintiffs and appellants' opening brief on the merits is extended to and

including June 13, 2005.

(b) The time to file defendants and respondents' opposition brief on the merits is extended to and including August 12, 2005.

(c) The time to file plaintiffs and appellants' reply brief is extended to and including September 8, 2005.

The above extensions of time are granted on the basis of the parties' representations that no further extensions of time are anticipated or will be sought except in the event of serious health or family emergencies. No further extensions will be granted except for those reasons.
